CLASS ASSEMBLIES

A big well done to Foxes class on their assembly today, next is the turn of Kestrels & Hedgehogs class. Please remember these assemblies are only for family members of children in the classes, seating is limited, and we will turn away people at the door.

ATTENDANCE

The winter bugs have kicked in over the last few weeks and we have seen many children off poorly. The Government sets all schools a target of 96% attendance for pupils. During the last week we have been looking at children's attendance and you will be receiving a letter next week to make you aware of your child's current attendance figure.

Our federation policy states if your child has 6 days or more of absence, this must be explained by a doctor's note. We understand that illness cannot be prevented, if your child suffers from persistent illness, it would be wonderful if you could ask your doctor for a letter to put on record. We do not authorise holidays during term time, any holidays taken will be marked as unauthorised and may result in a fine.

SCHOOL PE KIT

The school PE kit is now stocked in the school uniform shop. I seem to have acquired lots of red socks, if you are missing a sock, please let me know.

WORLD BOOK DAY

This year we will be celebrating World Book day on Friday 2nd March. On this day we would like all children to come to school dressed as their favourite character from a BOOK! We would also like them to bring in their favourite book from home to share with their teachers and friends.

We have also booked The Children's Bookshelf to come and visit the school on this afternoon. The great thing about this event is that all books are £2 and they are all brand new! Please feel free to bring along friends and family. The more books we sell, the more books we can add to our library.
